

ENVIRONMENTAL INSIGHTS..

ISSUE 40

The CIP Environmental Insight is a bimonthly update of what's happening around the environmental agenda within the built environment. It's free and open to everyone. Some content is only available to subscribers of the CIP Environmental Manual and CIP Knowledge.

The Environment Agency introduces new waste exemption charges

As of the 1 July 2025, the Environment Agency (EA) has implemented a new charging regime for waste exemptions in England. These changes are part of a broader effort to modernise environmental regulation, improve oversight, and ensure cost recovery for services provided by the EA.
