

# ENVIRONMENTAL INSIGHTS..

# ISSUE 43

The CIP Environmental Insight is a bimonthly update of what's happening around the environmental agenda within the built environment. It's free and open to everyone. Some content is only available to subscribers of the CIP Environmental Manual and CIP Knowledge.

## The UK Net Zero Carbon Buildings Standard is set for launch

The UK Net Zero Carbon Buildings Standard is the UK's first cross-industry standard for net zero carbon aligned buildings. A pilot version was published in 2024 and, following pilot testing in 2025, the full Version 1 is set for launch in March this year.
