

ENVIRONMENTAL INSIGHTS.. ISSUE 22

The CIP Environmental Insight is a bimonthly update of what's happening around the environmental agenda within the built environment. It's free and open to everyone. Some content is only available to subscribers of the CIP Environmental Manual and CIP Knowledge.

edie to host free built environment decarbonisation webinar 20th September

Registration is now open for the edie-hosted live and interactive online webinar session on Thursday, 20 September, during Climate Week NYC.

It will focus on decarbonisation across the built environment value chain.
