

ENVIRONMENTAL INSIGHTS..

ISSUE 27

The CIP Environmental Insight is a bimonthly update of what's happening around the environmental agenda within the built environment. It's free and open to everyone. Some content is only available to subscribers of the CIP Environmental Manual and CIP Knowledge.

Mace makes case for retrofit over demolition to reduce Construction's impact on the environment

Mace is calling on the government to adopt a "retrofit first" strategy in planning policy in a bid to stop so many old buildings being demolished.
