

HEALTH & SAFETY INSIGHTS..

ISSUE 19

The CIP Health & Safety Insight is a bimonthly update of what's happening around the health and safety agenda within the built environment. It's free and open to everyone. Some content is only available to subscribers of the CIP Health and Safety Manual and CIP Knowledge.

Updated version 10.1 fire code following further amendments

The 10th Edition of the 'fire code', Fire Prevention on Construction Sites, launched in 2022.

Now, there is a revised version incorporating Amendment 1.
